

# The Eternal Flute: Divine Play

## Rock Ballads of Krishna

### Short Pitch

Rock ballads retelling Krishna's divine play — anthems of devotion where ancient love meets electric fire.

### i About the Album

*The Eternal Flute: Divine Play* is a concept album inspired by the divine play (lila) of Krishna. It bridges ancient stories with modern sound: melodic guitar leads, cinematic choruses, and lyrics that carry listeners from the battlefield of Kurukshetra to the moonlit banks of the Yamuna. This is not nostalgia, but revelation with guitars.

**RIYL:** U2 (epic), Led Zeppelin (myth), The Cult (atmosphere), Muse (cinematic), Scorpions (ballads).
